## **LAUNCHING GO 24-7 MINISTRY**

We are now launching our ministry which is called GO 24-7 under The Great Commission Foundation. The ministry is focused on equipping and mobilizing believers in prayer, love and power to reach those who need Jesus everywhere we go 24-7.

Please take some time to read what the Father is doing in Hamilton, Los Angeles and Beyond?

### **DOING WHAT THE FATHER IS DOING**

Coming back to Canada from a ministry trip in England in February 2017 I felt the Father speaking to me about getting involved in what He was doing in Hamilton.

### **LOVE ON HAMILTON EVERY TUESDAY**

I discovered and became a regular participant in a ministry led by a young 22 year old girl named Katie Nicole called Love on Hamilton. This group is seeing people regularly healed and saved on the streets of our city.

Every Tuesday we meet at 6pm for prayer before we hit the streets. We are crying out to God for the lost, for direction and power. Then at 8pm we meet at the Salvation Army Food Truck at 71 Rebecca Street and go out from there to share Jesus love.

### **FIREBASE MOVEMENT AND LOVE LA 24-7**

Through my friend Hal who leads the evangelism dept at [IHOPKC.org](http://IHOPKC.org) I learned about the [FirebaseMovement.com](http://FirebaseMovement.com). This movement has combined 24-7 worship, prayer and outreach in citywide outreaches. They have done this in 6 major cities across the USA. When I saw how they were mobilizing about 100 plus congregations and about 1000 believers in each city resulting in hundreds of salvations, I felt a stirring in my heart to co-ordinate an event like this in Hamilton.

When I submitted this idea to the leaders of the Firebase Movement and later to some pastors in Hamilton, everyone felt that God was in it. Furthermore, in order to equip me to lead an event like this in Canada, the leaders invited me to be an intern at LOVE LA 24-7 in October of this year.

### **LOVE HAMILTON 24-7**

I have already started reaching out to pastors in Hamilton and we are believing to see this citywide outreach here in 2018. This will involve sharing the vision with pastors, leaders and congregations, in order to get people committed to being participants. We will be raising up leaders, doing training, organizing and co-ordinating 24-7 prayer, worship and multiple outreaches.

**GO 24-7**

Jesus said, Go into all the world and preach the gospel to all creation... Then the disciples went out and preached everywhere, and the Lord worked with them and confirmed his word by the signs that accompanied it. Mark 16: 15, 20

### **HAMILTON CHRISTIAN FELLOWSHIP**

In anticipation of many people coming to Jesus. I felt that I needed to be involved with a local church in Hamilton, since considering we were attending a church outside the city. As soon as I entered Hamilton Christian Fellowship [hcfchurch.ca](http://hcfchurch.ca) I immediately heard the Holy Spirit say, 'this is it, this is it.' So, I have made this local church our Firebase. On Sunday, September 10 at 10am, I will be teaching at HCF for the first time on how we can reach children, families, youth, young adults and seniors within our community in love and power. I will be involved in this local church to help equip and mobilize our congregation in prayer, love and power to reach our neighbourhood, while I am also making myself available to minister citywide and beyond.

### **RESTORATION OF SPIRITUAL GIFTS**

Jesus is restoring and empowering His church in love and power. It has become normal to see physical healing's and for the Holy Spirit to lead us supernaturally every week.

For example, while we were praying before the outreach recently, I saw a mental vision of 3 separate buildings on Main Street. So, that evening our team went to the exact spot the Holy Spirit had shown me and within minutes I had divine appointments in each place. In each divine appointment the Holy Spirit revealed to me details about the persons past, present and future which really helped them open their hearts to Jesus.

### **BEYOND HAMILTON**

After our Love Hamilton 24-7 outreach in 2018, Lord willing. I am believing that the Firebase Movement will spread across Canada. I am in relationship with evangelists in Cambridge and Edmonton who are passionate about seeing the movement come to their city. I am also making myself available to equip and mobilize congregations and ministries in prayer, love and power in Canada and beyond.

### **WE NEED PARTNERS WHO WILL STAND WITH US**

In order for us to give ourselves to what the Father is doing we need to raise financial and prayer partners. If you want to partner with us in prayer please let me know? I will be planning times where we can pray as a team in person, as well as over the internet and on the phone.

The Great Commission Foundation will provide income tax recites for Canadians and Americans who donate towards our ministry. To give a one time gift, or as a monthly partner, please call 1-866-427-2413 or go to [go24-7.ca](http://go24-7.ca) and click the DONATE button.
